**FORMAL CASE NO. 1154, IN THE MATTER OF WASHINGTON GAS LIGHT
COMPANY'S APPLICATION FOR APPROVAL OF PROJECTPIPES 2 PLAN**

1. The Public Service Commission of the District of Columbia (“Commission”) hereby gives notice that, on September 30, 2022, Washington Gas Light Co. (“WGL” or “Company”) filed its Draft Request for Proposal (“RFP”) to conduct a management audit of the first two years of the PROJECTpipes 2 Plan.¹

2. By Order No. 20671, the Commission approved in part WGL’s Application for Approval of the PROJECTpipes 2 (“PIPES 2”) Plan.² As part of the Order, the Commission directed WGL to have an independent management audit conducted to cover the first two (2) years of PROJECTpipes 2, in order to evaluate the Company’s performance in implementing PROJECTpipes in a manner that increases the District’s safety and reliability in a cost-effective manner.³ WGL’s Draft RFP outlines the specific items to be examined in the management audit. The focus of the audit is to assure that the project costs being recovered through the mechanism are prudent and accurate, that the PROJECTpipes projects that were completed are timely, that they are consistent with the Annual Project Lists submitted by WGL and includes projects from Programs 1, 2, 3, 4, 5 and 10 that meet the four requirements set forth by the Commission in Paragraph 68 of Order No. 17431, as amended in Order No. 17500.⁴ The final report must be based on the program year ending December 31, 2022, and delivered to the Commission within six months (August 31, 2023).⁵ The audits will start on or after January 2, 2023. The Commission will ultimately select the auditors for the engagement.

3. All persons interested in commenting on the Draft RFP may submit written comments and reply comments not later than 15 and 20 days, respectively, after the Commission’s issuance of this Notice.
