15. BONDING REQUIREMENTS

Integrity Bond

An Applicant who cannot provide credible evidence that it meets the financial integrity standards listed in Section 4705 of Chapter 47 of Title 15 DCMR must submit a bond on the form attached to this Application ("Integrity Bond"). The Applicant, if licensed by the Commission as a natural gas supplier, may be required to update/revise this initial Integrity Bond, by revising the initial Integrity Bond or posting an additional Integrity Bond, as set forth in Section 4705.

However, an Applicant who can provide credible evidence that it meets the financial integrity standards listed in Section 4705 will not be required to submit an Integrity Bond. (The Applicant may still be required to submit a separate Customer Payments Bond, as discussed below.)

Customer Payments Bond

A separate bond on the appropriate form attached to this Application is mandatory if an Applicant requires prepayments and/or deposits from residential or small commercial Customers ("Customer Payments Bond"). Please check one of the boxes below to state whether you, the Applicant, intend to charge, collect, or hold prepayments and/or deposits, as such terms are defined in the Bonding Requirements Addendum attached to this Application:

- Applicant will not accept prepayments or deposits from residential and small commercial Customers.

- Applicant intends to accept prepayments or deposits and/or deposits from residential and small commercial Customers. Applicant must comply with Bonding Requirements Addendum governing the Customer Payment Bond.

Further details regarding the District of Columbia's bonding requirements are included in Sections 4704 and 4705 of Chapter 47 of Title 15 DCMR.

16. **NOTICE OF REQUIRED COMPLIANCE:** The Applicant is hereby notified that it is required to comply with the following:
- (a) The Applicant may be required to submit bond(s), as applicable as described in Section 15 herein.
 - (b) The Applicant must update this application with the Commission immediately if any of the information provided in this Application changes or an error or inaccuracy is noted during the pendency of the Application. After an Application has been approved, a Licensee must inform the Commission of changes to all parts of the application and the averment regarding any civil, criminal, or regulatory penalties, etc. imposed on applicant, *et al.* within thirty days of the change or an error or inaccuracy is noted. A Licensee must inform the Commission of changes to the averment regarding bankruptcy proceedings instituted voluntarily or involuntarily within one business day of the institution of such proceedings.
 - (c) Supplement this application in the event the Commission modifies the licensing requirements, or request further information.
 - (d) Agree that it will not present itself as a licensed retail supplier of natural gas in the District of Columbia, sell or market services, accept deposits, prepayments, or contract with any end-use Customers without a license from the Commission.
 - (e) Pay all fees imposed by the Commission and any applicable taxes.
 - (f) Ensure that a copy of each service agreement entered into with the Washington Gas Light Company is provided to the Commission.
 - (g) Attend a Natural Gas Suppliers Education Workshop sponsored by the Commission.
 - (h) If certified, the Applicant shall institute a Privacy Protection Policy to protect against the unauthorized disclosure or use of information about a Customer or a Customer's use of service. A copy of that Policy shall be

made available once a year, including any updates or changes, through electronic means or a hardcopy to the Customer and posted in a prominent place on each company's website.

- (i) Abide by 15 DCMR § 308 and not disclose information about a Customer or the Customer's use of natural gas or natural gas services without the Customer's written consent.
- (j) Agrees to comply with 15 DCMR § 4702.11 Natural Gas Company and Licensee Responsibilities in the event of a default after certification, and with the District of Columbia Natural Gas Supplier Coordination Tariff.

TITLE

PREPAYMENT AND DEPOSIT BONDING REQUIREMENTS ADDENDUM

1. DEFINITION AND EXCLUSION

- a. Any natural gas supplier or aggregator or broker who charges or collects deposits or prepayments shall maintain a bond in an amount at least equal to the total amount of such deposits and prepayments as specified in this Section. Prepayments and/or deposits from non-residential customers whose metered use during any month of the previous twelve-month period was in excess of 625 dekatherms per month are exempt from the calculation of the bond requirement. For new non-residential customers, the exemption will apply if the sales to that customer are expected to be in excess of 625 dekatherms per month.
- b. “Deposits” include all payments made by a consumer to a natural gas supplier to secure the natural gas supplier against the consumer’s nonpayment or default.
- c. “Prepayments” include all payments made by a consumer to a natural gas supplier for services that have not been rendered at the time of payment.
 1. Where a natural gas supplier charges for services based on a quantity of natural gas, such as a price per therm, then prepayments include any payments for any quantity that has not been delivered to the consumer at the time of payment.
 2. Where a natural gas supplier charges for services based on a period of time, such as charging a membership fee, initiation fee or other fee for services for a time period, then prepayments include the amount of the total charges collected by the natural gas supplier for the period of time less the prorated value of the period of time for which services have been rendered.
 3. Where a natural gas supplier charges for services based on a measure other than quantity of natural gas delivered or a period of time, the Commission shall determine, on a case by case basis, whether the charges involve a prepayment and the appropriate method of calculating the required bond.
 4. Prepayments do not include any funds received in advance of the services being rendered as a result of the consumer’s

voluntary participation in a budget billing or level billing plan by which the consumer's anticipated natural gas costs are averaged over a period of time.

2. WHO MUST POST BOND

Any natural gas supplier or aggregator or broker who charges or collects deposits or prepayments shall maintain a bond in an amount at least equal to the total amount of such deposits and prepayments as specified in this Section. Prepayments and/or deposits from non-residential customers whose metered use during any month of the previous twelve-month period was in excess of 625 dekatherms per month are exempt from the calculation of the bond requirement. For new non-residential customers, the exemption will apply if the sales to that customer are expected to be in excess of 625 dekatherms per month.

3. PROCEDURE FOR DETERMINING AMOUNT OF BOND

- a. **INITIAL BOND:** Before accepting any deposits or prepayments, or for active suppliers prior to who have deposits or prepayments from current customers, a natural gas supplier must (1) notify the PSC on its license Application, within thirty (30) days of the change for an existing license holder, or by separate communication that it intends to begin charging deposits or prepayments, and (2) post an initial bond of fifty thousand dollars (\$50,000). If a bond is required of an aggregator or broker the amount shall be ten thousand dollars (\$10,000).
- b. **SIX MONTH CERTIFICATION:** Within six months after the initial bond is posted, (1) the natural gas supplier shall provide to the PSC, an audited certification conducted by either an independent certified accountant ("CPA") or the PSC Accounting Division (see below) of the amount of the deposits and prepayments and (2) a bond in the amount certified by either an independent CPA or by the PSC Accounting Division.
- c. **ANNUAL CERTIFICATION:** Annually thereafter, coinciding with the annual update requirements of the PSC license application, the natural gas supplier shall provide to the PSC (1) a statement of the amount of the deposits and prepayments conducted by either an independent CPA or the PSC Accounting Division and (2) a bond in that amount.

NWEC prides itself on the qualifications and professionalism of its management and staff, which are summarized below.

John Ludtka, President

John Ludtka has over 10 years of experience with energy deregulation, demand response programs, and energy supply rate structuring. As a former employee of Energy Curtailment Specialist (ECS), John managed a multi-billion dollar portfolio of energy consumers who enrolled and engaged in demand response programs throughout the United States. His expertise was concentrated within the PJM and NYISO markets, in which he implemented succinct, customized strategies to save end users of power generation valued dollars through the engagement in demand response programs he oversaw during peak events. Mr. Ludtka co-founded New Wave Energy Corporation and has successfully led the growth of the company to its current position. John is a graduate of the University of Buffalo with a degree in International Business and a concentration in government regulation and deregulation.

Relevant Qualifications:

- Expertise in both demand-side energy and supply-side energy products
- Expertise and knowledge of operational requirements of independent transmission operators (NYISO & PJM)
- Rate structuring and pricing models for energy rates in the deregulated sector
- Bi-lateral contract structuring
- Capacity bidding and spot market expertise
- EDI Transactions
- Commodity risk management
- Utility coordination

Nicholas Jerge, Executive Vice-President

Mr. Jerge co-founded New Wave Energy. Mr. Jerge has over ten years of experience in overseeing the following aspects of New Wave’s business:

- Sales and marketing
- Vendor management
- Regulatory compliance
- Finance and strategic initiatives
- Preferred Supplier Agreements

Mr. Jerge holds a degree from American University- Washington, D.C. with a dual-major in pre-law and political science with a concentration in government regulation and deregulation.

New Wave is comprised of 25 employees, and engages the services of leading EDI and billing consultants to supplement its operations.

Product and Marketing Plans

New Wave will offer fixed price and variable price electricity and natural gas products to residential commercial and industrial customers. New Wave will utilize several customer acquisition channels, including digital marketing, in-house direct sales and external supply brokers. Digital marketing will include search engine optimization, unpaid or organic social media, paid search ads and paid social media ads in addition to targeted programs like direct email outreach to prospective customers.

All customer enrollments will be confirmed via bilateral, duly executed customer contracts. All documents will be executed by authorized representatives of both the customer and New Wave, in full compliance with the applicable NJ BPU regulations.

Compliance with Sales, Marketing and Customer Service Regulations

New Wave’s leadership team has reviewed the applicable statute and regulations and has engaged local counsel to provide regulatory guidance and support. New Wave will ensure that all applicable statutes, regulations, rules, and Board Orders are strictly followed and will implement policies to ensure that all sales marketing and customer service is done in full compliance with the law. New Wave has a dedicated in-house customer service department to manage new enrollments, cancellations, terminations, utility electronic data transfer and billing, and customer notices (including notices prior to the contract termination dates or renewal dates), and commission reporting obligations.

Re: Natural Gas Supplier License of New Wave Energy, LLC

Dear Mr. Gruin:

On January 27, 2023, New Wave Energy Corp filed a request with the Commission to change the name on its license to provide natural gas services, as a supplier, to New Wave Energy, LLC.

Currently, New Wave Energy Corp is licensed as a supplier to residential, small commercial (under 6,000 MCF annually), large commercial (6,000 MCF or more annually), and industrial customers in the natural gas distribution company service territories of Columbia Gas of Pennsylvania, Inc., National Fuel Gas Distribution Corporation, PECO Energy Company, Peoples Natural Gas Company, LLC – Peoples Natural Gas Division¹, Peoples Natural Gas Company, LLC – Peoples Gas Division, Philadelphia Gas Works, and UGI Utilities, Inc., within the Commonwealth of Pennsylvania.

New Wave Energy, LLC has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission.

Therefore, the Commission approves, by this Secretarial Letter, the change of New Wave Energy Corp's name on its license for the provision of natural gas services as a supplier.

The Secretary's Bureau will issue a new license to New Wave Energy, LLC the right to begin to offer, render, furnish, or supply natural gas services as a supplier to residential, small commercial (under 6,000 MCF annually), large commercial (6,000 MCF or more annually), and industrial customers in the natural gas distribution company service territories of Columbia Gas of Pennsylvania, Inc., National Fuel Gas Distribution Corporation, PECO Energy Company, Peoples Natural Gas Company, LLC – Peoples Natural Gas Division, Peoples Natural Gas Company, LLC – Peoples Gas Division, Philadelphia Gas Works, and UGI Utilities, Inc., within the Commonwealth of Pennsylvania.

¹ New Wave Energy Corp was licensed for Peoples Natural Gas Company, LLC and Peoples Gas Company, LLC that have merged into Peoples Natural Gas Company, LLC – Peoples Natural Gas Division and Peoples Natural Gas Company, LLC – Peoples Gas Division.

The Secretary's Bureau and the Bureau of Administration, Financial and Assessments will update the company's name in their computer systems and lists, as appropriate, to be New Wave Energy, LLC.

If you have any questions in this matter, please contact Jeff McCracken of the Bureau of Technical Utility Services at jmccracken@pa.gov or 717-783-6163.

Re: Electric Generation Supplier License of New Wave Energy, LLC

Dear Mr. Gruin:

On January 27, 2023, New Wave Energy Corp filed a request with the Commission to change the name on its license to provide electric generation services, as a supplier, to New Wave Energy, LLC.

Currently, New Wave Energy Corp is licensed as a supplier to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in the electric distribution company service territories of Duquesne Light Company, Metropolitan Edison Company, PECO Energy Company, Pennsylvania Electric Company, Pennsylvania Power Company, PPL Electric Utilities Corporation, and West Penn Power Company in the Commonwealth of Pennsylvania.

New Wave Energy, LLC has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission. Furthermore, New Wave Energy, LLC has provided an update to its financial security instrument reflecting its new name.

Therefore, the Commission approves, by this Secretarial Letter, the change of New Wave Energy Corp's name on its license for the provision of electric generation services as a supplier.

The Secretary's Bureau will issue a new license to New Wave Energy, LLC the right to begin to offer, render, furnish, or supply electric generation services as a supplier to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in the electric distribution company service territories of Duquesne Light Company, Metropolitan Edison Company, PECO Energy Company, Pennsylvania Electric Company, Pennsylvania Power Company, PPL Electric Utilities Corporation, and West Penn Power Company in the Commonwealth of Pennsylvania.
