Commission Secretary:

ENGIE Power & Gas LLC (“EPG,” formerly known as Plymouth Rock Energy, LLC) is in the process of winding down all operations. EPG no longer serves retail natural gas or electricity customers in the District of Columbia. As a result, EPG seeks herein to cancel or otherwise surrender its licenses to serve natural gas customers (from Docket No. GA2018-12-G) and electric power customers (from Docket No. EA2018-04), effective immediately.

EPG also requests the return of Bond Number 41390030 in the amount of \$50,000.00 and Bond Number 41402345 in the amount of \$50,000.00, posted as part of holding these licenses to serve electricity and natural gas customers. Please direct the return of these materials to: Marsha Griffin, Senior Paralegal, 1360 Post Oak Blvd., Suite 400, Houston TX 77056.

If additional information is required by the Commission to complete this request, please contact the undersigned at [jason.austin@engie.com](mailto:jason.austin@engie.com).

Respectfully,

Jason Austin
