The Commission has reviewed your application for certification as an eligible District of Columbia renewable energy standards generating facility submitted on March 12, 2020. Your application is hereby approved. The certification number assigned to your facility is DC-2010861-SUN-I.

The following is required for your facility:

1. Register your facility with PJM Environmental Information Services, Inc. Generation Attribute Tracking System (GATS), <https://www.pjm-eis.com/>; and
2. Record the generation your facility creates in GATS.¹

In addition, pursuant to Commission Rule 2903.4, beginning on or after January 1, 2020, the Solar Renewable Energy Credits generated by your facility may be sold or used for compliance purposes.² If you have any questions or concerns, please contact Roger Fujihara, Senior Economist, at (202) 626-0558.
