

**PUBLIC SERVICE COMMISSION OF THE DISTRICT OF COLUMBIA  
1325 G STREET, N.W., SUITE 800  
WASHINGTON, D.C. 20005**

**PUBLIC NOTICE**

**November 24, 2020**

**FORMAL CASE NO. 1130, IN THE MATTER OF THE INVESTIGATION INTO  
MODERNIZING THE ENERGY DELIVERY SYSTEM FOR INCREASED  
SUSTAINABILITY,**

**and**

**FORMAL CASE NO. 1050, IN THE MATTER OF THE INVESTIGATION OF  
IMPLEMENTATION OF INTERCONNECTION STANDARDS IN THE DISTRICT OF  
COLUMBIA,**

1. The Public Service Commission of the District of Columbia (“Commission”) hereby gives notice that the Commission will hold a second educational workshop to inform stakeholders on the developments of the IEEE 1547-2018 Standard Implementation and Advanced Inverter Deployment. The Workshop is scheduled for Wednesday, December 16, 2020, from 9 a.m. to 1:30 p.m. The meeting will be held virtually via Microsoft Teams.

2. The Commission in 2015 opened the Formal Case No. 1130 proceeding to identify technologies and policies that can be implemented in the District of Columbia to modernize the distribution energy delivery system for increased sustainability (PowerPath, formerly called MEDSIS). As a result of this endeavor, the Commission commenced a stakeholder working group process which resulted in the filing of a report with recommendations for the Commission’s review. One of the recommendations was to establish a stakeholder working group around IEEE 1547-2018 Standards and Advanced Inverter Deployment. As a result of this recommendation, the Commission, by Order No. 20364, directed Staff to hold an educational workshop around the standard. The Order also stated that upon the completion of the educational workshop, the Commission will consider the need for a technical conference or a working group as deemed appropriate. The Commission held an initial workshop on October 16, 2020, to discuss the basics and developments of the IEEE 1547-2018 Standard. The presentations from this workshop can be found on the Commission’s website at the following link:

3. At the request of stakeholders, the Commission hereby schedules a second workshop to learn about the implementation of IEEE 1547-2018 Standards in other states. The Workshop is scheduled to be held virtually on Wednesday, December 16, 2020, from 9 a.m. to 1:30 p.m. via Microsoft Teams. A meeting invite link and an agenda will be emailed to attendants who RSVP. Interested persons are invited to RSVP using the link below, no later than noon,

Monday, December 14, 2020, and submit attendant's name, email address, and organization, if applicable. Please direct questions regarding the workshop to Merancia Noelsaint, Attorney Advisor, at [mnoelsaint@psc.dc.gov](mailto:mnoelsaint@psc.dc.gov) and Poorani Ramachandran, Chief – Infrastructure and System Planning at [pramachandran@psc.dc.gov](mailto:pramachandran@psc.dc.gov).
