Attachment A

Robert Palmese – Managing Member and President

Robert Palmese is the Managing Member of PALMco. Mr. Palmese has about 17 years' experience selling electricity at retail. He is in charge of the day-to-day operations of Applicant and its various affiliates that sell electric power and natural gas at retail in the states of Illinois, New York, New Jersey, Pennsylvania, Maryland, Massachusetts, Delaware, Virginia, Ohio and Washington D.C. Mr. Palmese graduated from Georgetown University with a Bachelor of Science degree in Business Administration.

Michelle Hofstetter, CPA, CGMA – Chief Financial Officer

Ms. Hofstetter joined PALMco in 2017 as Chief Financial Officer of the various PALMco entities. In that capacity, Ms. Hofstetter directs and oversees PALMco's Accounting Department and is responsible for all financial matters of the organization. She also plays a critical role as a member of the executive team where she advises management and provides strategic direction. Prior to joining PALMco, Ms. Hofstetter spent over 20 years working in various financial executive management positions across several industries including healthcare, IT, telecommunications, advertising, and professional services. She also spent 3 years working in public accounting. Ms. Hofstetter holds a Bachelor of Science Degree in Accounting from The College of Staten Island (CUNY). She is a New York State licensed Certified Public Accountant and holds a CGMA designation.

Franklin Jackson – Director of Door to Door & Retail Sales

Mr. Jackson joined Indra Energy in his current position in September 2020. After 19 years in various leadership roles within AT&T, Mr. Jackson began working in 2005 with what would be a variety of Retail Electric Suppliers. As a leader of sales in these organizations (Direct Energy, GDF – Think Energy, NRG-ZOOM Energy, & Just Energy) he has been successful working with internal cross-functional teams and various sales channels (Door to Door, Broker, Tele-sales, Multi-level Marketing, Web) to deliver business objectives with a strong focus on the customer experience and adherence to internal policies/procedures and applicable laws and regulations. In these roles, Mr. Jackson has developed, implemented and measured a variety of Acquisition, Retention, and Win-back programs using both internal resources, independent contractors, and vendor organizations. He brings this depth of experience in leading sales with quality and compliance to this role as the Director of Door to Door Sales for Indra.

Michael D'Angelo- Regulatory & Corporate Counsel

Mr. D'Angelo is the new compliance and corporate counsel attorney for Indra Energy. He has 17 years of legal experience working for numerous retail energy marketers and he is an accomplished attorney with over 25 years of legal, regulatory, and compliance experience in the public and private sectors. Michael has also served as an Administrative Law Judge for both New York State and New York City. As General Counsel for several companies, Michael was in charge of all litigation and legal issues, while ensuring full compliance with all federal, state and local laws. Additionally, as a Law School Professor, Michael taught LLM level classes at New York Law School's Center on Financial Services Law focusing on energy law. He recently

worked at Eversource Energy in its Transmission Siting department and he is admitted in New York, New Jersey, and U.S. District Courts, Eastern and Southern Districts of New York.

Penny Guida – Sr. Director of Operations

Ms. Guida has twenty-two years of energy services company experience including customer and systems management, in depth understanding of utility and regulatory requirements, and high-volume process management and control experience. She has recently joined PALMco business as the Sr. Director of Operations.

Laura Salvesen – Director of Billing and Operations

Ms. Salvesen has been working in the PALMco businesses since 2005. She currently serves as the Director of Billing and Operations, working closely with utilities on billing/transactional issues. Prior to becoming the Director of Billing and Operations, she served as a Director of Compliance, where she prepared regulatory filings, responded to customer complaints, and assisted in other regulatory compliance-related matters. Prior to that, she served as Supervisor of the customer service department, handling customer questions and complaints.

Perry Wilson- VP of Supply and Trading

Perry Wilson is a dynamic energy executive with 12 years of cross functional experience in wholesale and retail markets who has managed trading, pricing, risk, product development, asset management, acquisitions, marketing and forecasting. He has robust and working knowledge of all U.S. gas and power markets with a broad range of deep functional disciplines in IT and automation. a candid individual that leads by demonstration and welcomes challenges.

James Bradley- Sr. Director of Business Development

James Bradley is an accomplished energy executive with 14+ years of experience in wholesale and retail energy industry. James has extensive experience spanning operations, demand response, business development and business analysis. He has robust and working knowledge of all U.S. power and gas markets operational procedures with a deep knowledge in market expansion, EDI and billing communication and energy efficiency.
