# MOUNT VERNON SUBSTATION COMMUNITY ADVISORY GROUP

## VIRTUAL MEETING NOTICE

### Capital Grid Project

Pepco is committed to providing safe, reliable, affordable and sustainable energy to our customers and communities in the District of Columbia. The Capital Grid project is a forward-looking plan that will strengthen our energy grid and promote enhanced reliability. As a part of this project, the Mount Vernon Substation is being built to serve the surrounding rapidly growing area.

We are committed to keeping you updated every step of the way regarding this critical work. We are meeting with the Mount Vernon Substation Community Advisory Group (CAG) on **Thursday, March 18, 2021**, where we will provide updates on the Capital Grid Project and the Mount Vernon Substation construction. Please join us for this virtual meeting.
