Re: Formal Case No. 1119

Dear Ms. Westbrook-Sedgwick:

Pursuant to Paragraph 52 of the District of Columbia Public Service Commission's Order No. 18148, Potomac Electric Power Company ("Pepco") provides as an attachment to this letter: (1) a plan on how it intends to apply the \$14 million residential customer bill credit identified in Paragraph 3 of Attachment B to Order No. 18148 and (2) a sample bill showing the \$54.59 Exelon customer bill credit. In order to ensure that all customers receive the bill credit within 60 days of the closing of the merger as set forth in Paragraph 3 (i.e., by May 23, 2016), Pepco will apply the credit to the customer accounts the weekend of April 16-17, 2016, and will begin reflecting the credit on customer bills with the bill cycle commencing on April 19, 2016.

Please feel free to contact me if you have any questions regarding this matter.

Sincerely,

Potomac Electric Power Company – District of Columbia

Customer Investment Fund (CIF) – Customer Bill Credit Plan

Date: April 12, 2016

Exelon shall fund a one-time direct rate credit of \$14,000,000. The rate credit will be applicable for each Pepco-DC residential customer (including RAD) and will be paid within 60 days of the closing of the merger (Condition 3 of Exhibit B of the Revised Term and Conditions for Merger) Attached to Order No. 18148. This is equivalent to \$54.59 per residential customer

- Customer Rate Classes:

Residential Electric = "R", "R-AE", "R-TM", "RAD-R" and "RAD-AE"

Processing of the Credit:

- The residential customers of record with an active account 30 days after merger. An active account is defined as an account where a meter has been installed and is providing electric service on that date
- The per customer credit amount will be calculated by dividing \$14M by the number of active accounts at the merger closing date
- The per customer credit will be applied to all residential customer accounts defined above as soon as possible and in no event later than 60 days after the merger close
- Residential customers will begin receiving the credit on or about April 19, 2016 and all residential customers will have received the credit by approximately May 23, 2016. If a customer bill is on hold for any reason, the customer will see their credit once the hold is released and the account is billed

Presentment of Credit on the Bill:

- Customers will see the Exelon Rate Credit on their bill in the Electric Distribution and SOS Supply Summary – Pepco and/or Supplier Summary section (see attached example)
- A bill message will be shown on Page 1 that describes the Exelon Rate Credit
- Customers who have budget billing will see their budget billing payment amount due that month reduced by the amount of the credit
- The \$54.59 credit will appear on their Pepco bill. Customers will not be issued a rebate and/or check payable to the customer

Exelon/PHI Merger Commitment

Potomac Electric Power Company – District of Columbia

- If the account is closed or final billed before the credit is applied in full, and the customer does not continue their service or have another account, Pepco will inform the Commission of remaining credit balance and seek direction from the Commission with respect to disposition of the remaining credit balance. No cash refunds will be issued
- If a customer moves from one Exelon/PHI service territory to another Exelon/PHI service territory and the credit has not been depleted, the customer will forfeit the remaining balance. The remaining balances will be accumulated and disbursed after a review and decision by the Commission. No cash refunds will be issued
