Washington, DC 20005

Re: Docket ET00-2 - Rider "PSOS"

Dear Ms. Westbrook-Sedgwick:

Enclosed for filing with the Commission is Potomac Electric Power Company's (the "Company" or "Pepco") "Rider "PSOS" - Public Space Occupancy Surcharge. The updated Rider "PSOS" is to become effective with meter readings on and after March 1, 2018.

Rider "PSOS", which first became effective with meter readings on and after May 5, 2000, is designed to enable Pepco to recover all payments made by it to the District of Columbia for the rental of public structures in public space, as required by D.C. Code §10-1141.06 (2001), formerly D.C. Code §7-1076 (2001 Supp.). In Order No. 11737 at 4, issued July 14, 2000, the Commission found that Rider "PSOS" is in compliance with §7-1076.

The purpose of this filing is to update Rider "PSOS" as required by its terms, as shown in Attachment A. Specifically, Rider "PSOS" provides that the Rider "PSOS" surcharge rate is to be updated annually to be effective on March 1. Rider "PSOS" further provides: "The update will consist of two components: (1) one component to reflect payments to be made by the Company to the District of Columbia for the current calendar year and (2) another component to reflect prior year over and under recoveries." Finally, Rider "PSOS" sets forth precisely how each component of the annual update is to be calculated, a fact recognized and noted by the Commission in Order No. 11737 at 4. The red-line version of Rider "PSOS" is included as Attachment B.

As shown on Attachment C, the Rider "PSOS" surcharge rate is \$0.00207 per kilowatthour which is a decrease from the current PSOS surcharge rate of \$0.00209 per kilowatthour.

Ms. Brinda Westbrook-Sedgwick

PUBLIC SPACE OCCUPANCY SURCHARGE**RIDER "PSOS"****PUBLIC SPACE OCCUPANCY SURCHARGE**

This rider is applicable to Schedules "R", "AE", "R-TM", "MMA", "GS ND", "GS LV", "GS 3A", "GT LV", "GT 3A," "GT 3B", "T", "SL", "TS", "RT", and "TN". In compliance with D.C. Code §10-1141.06 (2001 Supplement), the purpose of this rider is to recover all payments made by the Company to the District of Columbia for the rental of public structures in public space. The surcharge effective March 1, 2018 is \$0.00207 per kilowatt-hour delivered to the customer.

The surcharge rate will be updated annually to be effective on March 1. The update will consist of two components: (1) one component to reflect payments to be made by the Company to the District of Columbia for the current calendar year and (2) another component to reflect prior year over or under recoveries.

The first component will be calculated as follows: Payments to be made to the District of Columbia for the current calendar year less customer collections for January and February (estimated) of the current calendar year divided by projected kWh sales for March through December of the current calendar year.

The second component (prior years' true-up) will be calculated as follows: Prior year cumulative over or under recoveries divided by projected kWh sales for March through December of the current calendar year.

The surcharge rate will be the sum of the two components and will be in effect from each March 1st through the following February 28th (or 29th).
