

PUBLIC SERVICE COMMISSION OF THE DISTRICT OF COLUMBIA
1325 G Street, N.W., 8th Floor+
Washington, D.C. 20005

CONFIRMATION OF CASE CLOSURE
Formal Case 892
Pursuant to Commission Order No. 19691

On September 25, 2018, the Public Service Commission of the District of Columbia directed in Formal Case 892, Commission Order 19691, Formal Cases 892 shall be closed, unless a party filed an objection with the Commission by close of business October 9, 2018.

No objections were filed by October 9, 2018 Therefore, effective October 9, 2018 Formal Case 892 is formally closed, consistent with the Commission Order 19691

Brinda Westbrook-Sedgewick, Commission Secretary

PUBLIC SERVICE COMMISSION OF THE DISTRICT OF COLUMBIA
1325 G STREET N.W., SUITE 800
WASHINGTON, D.C. 20005

CLOSING ORDER

September 25, 2018

**FORMAL CASE NO. 892, IN THE MATTER OF THE APPLICATIONS FOR A
CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY OF TELEPORT
COMMUNICATIONS WASHINGTON, D.C. INC., METROPOLITAN FIBER
SYSTEMS OF WASHINGTON, D.C., INC., AND THE INSTITUTIONAL
COMMUNICATIONS COMPANY, Order No. 19691**

1. By this Order, the Public Service Commission of the District of Columbia ("Commission") closes *Formal Case No. 892* and gives notice of the complete reassignment of competitive local exchange carrier ("CLEC") applications from docket number *Formal Case No. 892*, to individual Telecommunications Applications ("TA") docket numbers assigned to each applicant as indicated in Attachment A.

2. The Commission has revised its docketing system. The new system continues the Commission's long-standing tradition of having items docketed using a formal case number or using an acronym as a case name. The Commission, however, has been closing formal cases which have long remained open after the substantive issues in these cases have been resolved, because the Commission has required monitoring, compliance, and enforcement reports or other documents to be filed on an ongoing and continuous basis in these case dockets. Under this revised system, such legacy formal cases have been closed with the monitoring, compliance, and enforcement reports; other documents; and related Orders previously associated with these formal cases being transferred to case dockets with acronyms as case names.¹

3. The inception of the *Formal Case No. 982* docket began with the competitive local exchange service applications of Teleport Communications Washington, D.C., Inc. ("Teleport"), Metropolitan Fiber Systems of Washington, D.C. ("Metropolitan Fiber"), and Institution Communications Company's ("ICC") requesting a certificate of public convenience and necessity to provide competitive local exchange service.² Because

¹ See Notice of Restructured Docketing System, rel. January 9, 2014.

² *Formal Case No. 867, In the Matter of the Public Service Commission's Investigation into the Public Utility Status of the Institutional Communications Company*, Order No. 8920, rel. December 30, 1987; *Formal Case No. 884, In the Matter of the Application of Teleport Communications Washington, D.C., Inc. for a Certificate of Public Convenience and Necessity to Provide Digital Private Line Telecommunications Service Within the District of Columbia*, Order No. 9319, rel. July 20, 1989; and *Formal Case No. 886, In the Matter of the Application of Metropolitan Fiber Systems of Washington, D.C., Inc. for a Certificate of Public Convenience and Necessity*, Order No. 9320, rel. July 20, 1989.

the applications contained a commonality of issues by Order No. 9418, the Commission consolidated *Formal Case Nos. 867, 884, and 886*, into *Formal Case No. 892*.³ Thereafter after passage of the federal Telecommunications Act of 1996 and the District of Columbia Telecommunications Competition Act of 1996, numerous entities applied for certification as CLECs in the District of Columbia⁴ and the Commission docketed these applications in *Formal Case No. 892*, since it was an existing case that handled applications submitted by companies seeking to provide competitive local exchange service in the District of Columbia.

4. The Commission, on January 9, 2001, established the Telecommunications Applications (TA") docket, as an extension of *Formal Case No. 892*, for all filings relating to new CLEC applications filed on or after January 10, 2001.⁵ The docket for *Formal Case No. 892* remained open to accept all documents related to CLEC applications assigned to the docket on or before January 9, 2001. The Commission further revised CLEC docket so that each CLEC application is assigned an individual TA docket number. The Commission also assigned each CLEC application originally docketed in *Formal Case No. 892* its own individual TA docket number and moved all documents in *Formal Case No. 892* to these new dockets. The result is that there are no documents or outstanding matters remaining in *Formal Case No. 892* docket. A list of the assigned TA docket numbers is attached to this Order for reference.

5. Consequently, in the interest of administrative efficiency, the Commission notifies all parties of its intent to close this matter. If any interested person objects to closing this case, then that person has ten (10) days from the date of this Order to file an objection setting forth the basis of its objection. If no objection is filed within ten (10) days, then this case shall be closed without further action by the Commission.⁶

THEREFORE, IT IS ORDERED THAT:

6. *Formal Case No. 892* shall be **CLOSED** ten (10) days from the date of this Order unless an objection is filed in accordance with paragraph five (5) of this Order; and

7. Any and all documents relating to individual competitive local exchange carrier applications that were previously filed in *Formal Case No. 892* shall henceforth be filed in the appropriate TA docket pursuant to the attached list of the assigned TA docket numbers.

³ *Formal Case No. 892, In the Matter of the Applications for a Certificate of Public Convenience and Necessity of Teleport Communications Washington, D.C. Inc., Metropolitan Fiber Systems of Washington, D.C., Inc., and the Institutional Communications Company ("Formal Case No. 892")*, Order No. 9418, rel. January 23, 1990.

⁴ See Telecommunications Act of 1996, Pub. L. No. 104-104, 110 Stat. 56 (1996); See also Telecommunications Competition Act of 1996, D.C. Code § 34-2001, *et. seq.* (September 9, 1996).

⁵ *Formal Case No. 892*, Order No. 11879, rel. January 9, 2001.

⁶ 15 DCMR § 105.1 (1981).
