(8) Biographies of Key Technical Personnel:

Michael Storch, President and CEO

Michael I. Storch is the CEO of Enel X North America, Inc., an Enel Group Company.

Prior to this role, he served as the Executive Vice President, Chief Company Development Officer at Enel Green Power North America. Mike has been with EGPNA and its predecessor companies since 1987 where he was responsible for a variety of areas including M&A, management of operations, project development, accounting, and finance. He is a current or former director in two highly successful renewable energy development partnerships. Prior to joining EGPNA, Mike was Vice President of G.O. Holdings Management, Inc., the U.S. arm of Anglo French financier, Sir James Goldsmith, where Mike was a key member of Sir James' management team focused on leveraged buyouts of a number of public companies and resulting asset sales and reorganization of surviving business units. Previously Mike was a Senior Audit Manager for Price Waterhouse. Mike holds Bachelor of Business Administration degree from Baruch College, New York and is a certified public accountant.

Jackie Bliss, Vice President of Global Energy Procurement

As Vice President of Global Energy Procurement at Enel X NA, Jackie Bliss is responsible for leading and managing Enel X NA's Advisory Solutions business and brings nearly a decade of energy experience to the company. Prior to joining the team in 2015, Jackie worked at National Grid, serving as the Director of Business Performance for the natural gas division, leading operational efficiency initiatives. Jackie also served power and utilities customers from a financial perspective as an investment banker at J.P. Morgan. In this capacity, she consulted with energy companies across the US on debt and equity financing along with strategic mergers and acquisitions. Jackie earned an MBA from the Leonard N. Stern School of Business at New York University and an MPA in Energy Policy as well as a BA from Columbia University.
