Re: PEPACR-2019-01 and Formal Case No. 1119

Dear Ms. Westbrook-Sedgwick:

On April 1, 2019, Potomac Electric Power Company (Pepco) filed its 2019 Annual Consolidated Report (ACR). When the ACR was filed, the cover letter noted that two data points, one contained in Table 3.6 (cable/splice failures) and the other regarding Fourth Quarter 2018 manhole inspections, would be supplemented within 30 days, or May 1, 2019. The supplemental data is attached.

Please feel free to contact me if you have any questions regarding this matter.

Sincerely,
