**APPLICATION**

Pursuant to 15 DCMR §2704, Access Point, Inc. ("Applicant" or "Company") respectfully requests approval of this Application to Abandon its Certification ("Application"). In support of this Application, Access Point, Inc. provides the following information in accordance with the requirements of 15 DCMR, §2704:

**§2704.1 (a)**

**Applicant's name address, telephone number, facsimile number:**

Access Point, Inc.  
7900 Tysons One Place  
Suite 1450  
McLean, VA 22102  
Telephone:

**Name under which Applicant is providing service in the District:**

Access Point, Inc.

**The date and order number of the Commission order that authorized the Applicant to provide telecommunications services in the District, and the proposed abandonment date:**

Access Point, Inc. was granted authority to provide local telecommunications services in Order No. TA03-2-3 on March 7, 2003. The Applicant is requesting approval to abandon its Certificate of Authority as expeditiously as possible.

**§2704.1 (b)**

**A complete explanation of the reasons for the proposed abandonment:**

As result of a transaction, completed on October 1, 2018, by which GTT Americas, LLC ("GTTA") acquired the stock of Access Point's direct parent company, Access Point Communications Inc. ("AP Parent"), Access Point became an indirect, wholly-owned subsidiary of GTTA (the "GTT-API Transaction"). GTTA is a Delaware limited liability company and direct, wholly-owned subsidiary of GTT Communications, Inc. ("GTT"), a publicly-traded Delaware corporation (NYSE: GTT). GTT, through its subsidiaries including GC Pivotal, LLC, ("GC Pivotal").

Like Access Point, GC Pivotal is a direct, wholly-owned subsidiary of GTTA and an indirect, wholly-owned subsidiary of GTT. The Commission granted GC authority provide local telecommunications service in the District of Columbia in Formal Case No. TA-11-1-6 on April 19, 2011.

In order to provide more effective billing and customer service support to the commercial and enterprise customers that constitute Access Point's former customer base, GTTA determined that Access Point should consolidate into GC Pivotal. As a result of this Consolidation, effective January 1, 2019, GC Pivotal became the service provider of record for the customers of Access Point, providing telecommunications services to Access Point's customers pursuant to GC Pivotal's Certificate under the same rates, terms and conditions as the services previously provided by Access Point. The affected customers were switched to the billing system of GTT (including GC Pivotal) in March. Access Point's customers received notice of the change in their provider and billing system prior to the change.

Since Access Point's former customers are now served by its affiliate, GC Pivotal, Access Point no longer requires its certification to provide local telecommunications service.

**§2704.1 (c)**

**A description of the arrangements made for payment of any outstanding taxes, fees, or other amounts owed to the Commission or any other agency of the District of Columbia.**

Effective with revenues billed in January 2019, all revenues, customer lines and any associated assessments previously reported and remitted by API are being reported and remitted by GC Pivotal.

Further, to the extent that API had any outstanding obligations, including deposits, to any customers, GC Pivotal is now responsible for such obligations.

**§2704.1 (d)**

**A plan for the applicant to remove, maintain, or transfer any facilities in the District that would otherwise be abandoned.**

Not applicable. Access Point does not own or operate any facilities in the District.

**§2704.1 (e)**

**An affidavit verifying that all the information in the application is true and correct:**

The Affidavit of Mike Winston, President of Access Point, Inc. is attached.

**§2704.2**

**If, at the time of the filing of the abandonment of certification application, the CLEC is providing service to customers, the applicant also shall file an abandonment of service application pursuant to 15 DCMR § 2705 or 15 DCMR § 2706, as appropriate.**

Access Point is filing an Abandonment of Service application pursuant to 15 DCMR § 2705 concurrently with the instant Application.

**§2704.3**

A copy of this Application is being served on the Office of the People's Counsel. Proof of Service is attached.

**The applicant shall return any customer deposits within fifteen (15) days of the abandonment of certification application filing date. Upon full payment of these deposits, the applicant shall notify the Commission that all deposits have been paid by filing an affidavit explaining how and when these payments were made.**
