**Re: Formal Case No. 1057, In the Matter of Verizon Washington, DC Inc.'s  
Price Cap Plan 2007 for the Provision of Local Telecommunications  
Services in the District of Columbia**

Dear Ms. Westbrook-Sedgwick:

Enclosed please find Verizon Washington, DC Inc.'s ("Verizon DC") **PUBLIC** Response to Order Nos. 17674 and 17717 in the above-referenced proceeding.

By this filing, Verizon DC hereby submits its retail access line and intrastate earnings reports as of June 30, 2019. Verizon DC's Response contains information that Verizon DC considers to be confidential and proprietary. This information is marked Confidential, and pursuant to Commission Rule of Practice and Procedure 150.2, Verizon DC requests confidential treatment.

The Confidential Information contains revenue figures and access line counts. This information is competitively sensitive, and its disclosure would put Verizon at a competitive disadvantage by providing valuable information to Verizon's competitors relating to market share and financial health in the District.

Parties wishing to view this information may contact Verizon for an appropriate proprietary agreement or file with the Commission for a Proprietary Information Determination. Parties may seek a Commission ruling on contention at any time in this proceeding.

The intrastate earnings report reflects Verizon DC's transition from USOA accounting to GAAP accounting due to the elimination of USOA accounting at the federal level.

If you have any questions regarding this filing, please contact me.

Respectfully submitted,

A handwritten signature in black ink, reading "Jennifer L. McClellan". The signature is written in a cursive style with a large initial "J" and "M".
