Dear Ms. Tiffany A. Frazier, Regulatory Affairs Specialists

Attached please find individual responses to the additional requests for information regarding the application for a license to supply Electricity and Natural Gas for SunSea Energy LLC for your review and consideration.

Please find the enclosed response to the following:

Exhibit B: SunSea respectfully requests the commission to please find the enclosed supplier contract for Natural Gas and Electricity including sample bills. **CONFIDENTIAL**

Exhibit C: SunSea respectfully requests the commission to please find the enclosed supplier contract for Natural Gas and Electricity including sample bills.

3. Pursuant to Chapters 46 and 47, 15-DCMR, proof that the Applicant has registered with the District of Columbia Office of Tax and Revenue.

Please keep under seal as "Confidential" and not make part of the public record the responses to Exhibit B. The electric and natural gas utility business is highly competitive, and it is imperative that public disclosure of the confidential information contained in the documents identified above be avoided.

SunSea is not a publicly traded company and, therefore, all of its information is highly confidential and is available only to those individuals on a need to know basis. The public disclosure of SunSea's information as disclosed in response to the questions and provided in the exhibits referenced above would create an extreme hardship for SunSea because it would give an unfair advantage to SunSea's competitors and would likely result in substantial economic damages to SunSea.

Thank you for your time and consideration.

Regards,

Jacob Adigwe
