Dear Mr. Speight:

Thank you for your response and clarification question regarding our FOIA request, docketed by the Commission as *FOIA 2019-05*.

To clarify, the request seeks any information that allows the Commission to determine whether a complainant was low-income. For example, did any information in the complaint identify the customer as being enrolled in LIHEAP?

Hope that information assists in clarifying our request. Feel free to reach out to me at the number below if you seek further clarification.

Thank you for your time and attention to this matter.

Karen Lusson
